

Assure Coaching Limited

Weather Policy

In the event of light snow or heavy rain, clubs and camps will go ahead as normal. Parents should ensure that they provide their children with appropriate warm/wet weather clothing for clubs. If a parent does not want their child to play in light snow or heavy rain, the child should be collected before the club/camp starts.

During a holiday camp, we will make every effort to remain open whenever possible. The decision to close a camp will be made by the Directors of Assure Coaching Limited. The camp will only be closed if one or more of the following conditions apply:

- There is insufficient staff able to come in to keep the camp operating safely.
- The conditions on site are dangerous and we cannot ensure the safety of children and staff.
- Conditions are considered to be or are anticipated to later become too hazardous to travel.

In extreme weather camps will be closed.

If there is adverse weather during a camp day the Head Coach of Assure Coaching Limited will decide whether it is necessary to close the camp. We will contact parents and ask that they pick their child/children up from camp as soon as possible.

When camp closure is a possibility parents will be notified by email and emails should be checked in the advent of adverse weather conditions.

Whatever decisions are taken, these will be communicated in the following ways:

1. Via our social media.
2. Emails will be sent.
